

August 20, 2009

Mr. Kevin Keith, P.E.
Chief Engineer
Missouri Department of Transportation
P.O. Box 270
Jefferson City, MO 65102

The Honorable Steve Ehlmann
St. Charles County Executive
Executive Office Building
100 North Third Street, Suite 318
St. Charles, MO 63301

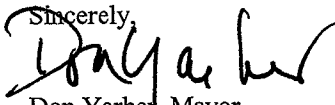

Dear Mr. Keith and County Executive Ehlmann:

I would like to offer my support on behalf of completing Missouri Route 364 (Page Avenue) for which MoDOT and St. Charles County are seeking to secure a TIGER (Transportation Investment Generating Economic Recovery) Grant.

Missouri Route 364 will complete a missing link in the region's transportation network, which has been planned and supported by local, regional, and state transportation authorities for 40 years. The completion of this project will:

- Reduce congestion and greenhouse gas emissions on Interstate 70, a transcontinental highway, and Interstate 64;
- Enhance mobility to and from economically distressed areas by improving transportation choices;
- Provide motorists with an alternative route during inspection and maintenance of the other Missouri River bridges;
- Enhance system operations when the deck on the Missouri River bridge on Interstate 70 is replaced (\$70 million, scheduled in 2012) and during the bridge replacement on Interstate 64 (planned);
- Provide a freeway connector from Interstate 270 to Interstate 64;
- Facilitate more efficient freight movement on Interstate 70;
- Greatly Benefit the City of Cottleville thru economic development and creating new jobs.

Thank you for your continued ongoing initiatives to provide responsive, innovative and cost effective services to the citizens of St. Charles County, the greater St. Louis region, the State of Missouri, and the Nation.

Sincerely,

Don Yarber, Mayor
City of Cottleville
